## TOGETHER WE CAN DO THIS... OUR CHARITY RECIPIENTS

**The Harry K Foundation**, which was established by Harry Keswani in 2013, "has vowed to raise money and donate 100% of these proceeds to help alleviate the problem of food insecurity in its local community. The H4 Initiative has pledged to support the Delaware Food Bank in supporting children's nutritional programming within Sussex County."

"The Indian River School District's mission is to assure that students attain the knowledge, skills, and attitudes needed to realize their potential, meet the challenges of their life choices, and fulfill their responsibilities as citizens of the State of Delaware, United States and world through a partnership of students, parents, staff, administrators, Board of Education and community."

"The Cape Henlopen Educational Foundation's "principal objective is to inspire learning, and to prepare all students for a healthy, productive life in a diverse and global society. To accomplish this, we seek to engage the entire community--educators, parents, business, civic and legislative leaders--in providing students with the tools they need to excel."

### **Together we can do this....**

Whether you join us as a sponsor, golfer or simply for lunch, we are humbled by your support. Together we can give back to three terrific local organizations that serve our Sussex County community...and in particular, our children... so very well. Together, we thank you.
